

**Priceless Priorities
is the secret weapon
of successful people!**

Not just in work, but in *life*. We give you *more time* to focus on your priorities by taking care of the little details. Stuff like stocking your fridge, organizing your photos and booking appointments. As a Priceless Priorities client, you get your very own **Freedom Creator**— a smart, capable person who works as your *right hand*. You delegate a task and your Freedom Creator is on it.

Appointment? **Set.** Gift?
Purchased. Closet? **Organized.**

"Do you know how God sometimes just drops people into your life so that you know He is real? Among many others in my life, Melanie is one of those people. She is sincere, confidential, and so willing to tackle a variety of projects. Not only does she clear the clutter off my counter but takes the clutter of my endless "to-do's" so I can better focus on what I love. Time is our most valuable resource - thank you Melanie for helping me be true to my priorities."
